## Standards

- Traditional raised panel wood grain design outside, flush white wood grain interior.
- 2 inch thick polystyrene insulation is pressure bonded between two sheets of steel for superior energy efficiency and sound resistance.
- Calculated R-factor of 9.4.
- All steel construction including interior stiles and end steel stiles for maximum structural support.
- Heavy aluminum bottom retainer for extra strength with thick vinyl weatherstrip runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and full steel ball bearing rollers. Torsion or extension springs deliver years of trouble-free performance and continuous smooth opening and closings.
- Inside security lock.
- Backed by a limited lifetime warranty against splitting, cracking, and rust through.
